

(8-A, B, & C) Model 8-A shown, gable roof, detached 2-car garage, 2 baths (so necessary for the busy, modern family). A ranch type, it features vertical

LAGUNA

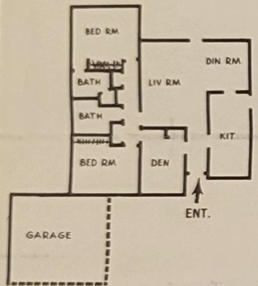

redwood siding at front windows and in porch area. Rear facing living room opens onto outdoor living area.

(9-A, B, & C) Model 9-B shown, has attached 2-car garage, with either front or side entrance. Highly individual treatment of front porch area emphasizes California

BALBOA

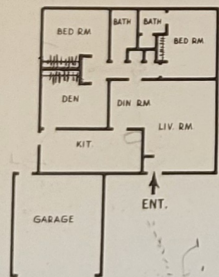

ranch styling. Mahogany breakfast bar divides kitchen from dining room. There are 2 baths, one entered directly from master bedroom.

(2-A, B, C, & D) Model 2-A shown, features California ranch house styling. It has 2-car garage (front or side entrance) and 2 baths (one opening into

MALIBU

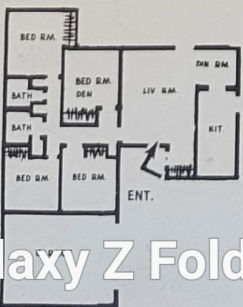

master bedroom). Living room is at rear, with wide window and convenient door opening onto outdoor living area.

(10-A, B, C & D, a new series of larger homes) Model 10-A shown, has vertical redwood siding and tinted stucco exterior. Interior features include extra large

RIVIERA-ROYALE

knotty pine kitchen, 2 baths (one off master bedroom), and front facing living room. Attached garage adds to the massive effect.

(11-A & B, largest in Southwood Homes) Model 11-B shown, is a four bedroom design intended to fill the requirements of the larger family. Homes

BEL-AIR

have 2 colorful, modern baths and attached, double garage. Spacious living room has windows opening both front and rear.
