

(6-A, B & C) Model 6-C shown, is contemporary in styling, ultra-modern in convenience. Rear facing living room adjoins smart living kitchen arrangement

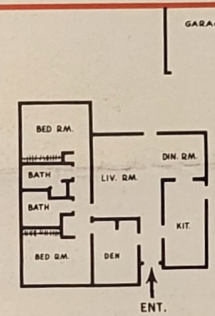

MANHATTAN

through luxurious mahogany breakfast bar. Note detached double garage and 2 baths, reached from all rooms by central hall.

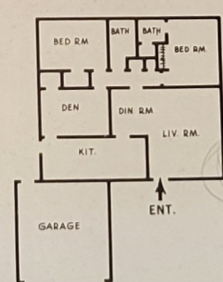

(7-A & B) Model 7-A shown, is designed for informal, modern living; features 2 baths, one opening directly into master bedroom and large knotty pine kitchen, with mahogany breakfast bar. Ceiling beam runs either length or width of living room. Double garage, with either front or side entry, is attached.

WINDSOR

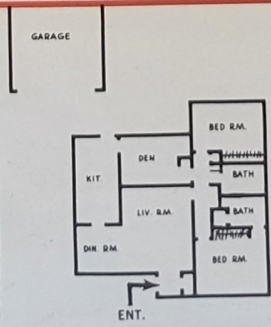

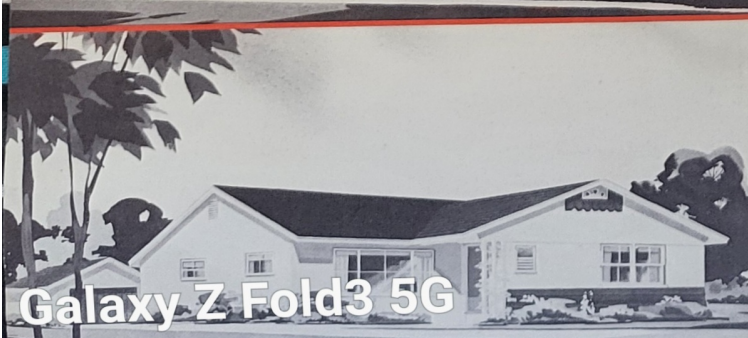

(1-A, B, C, & D) Model 1-C shown, combines redwood and shingle siding in pleasing contrast to white or colorfully tinted stucco. Plan provides 2 baths (so handy when guests arrive), detached double garage, and rear facing living room.

PALM SPRINGS

(5-A, B, & C) Model 5-B shown, incorporates design details emphasizing the size and durability of this fine home. Knotty pine kitchen, 2 baths (one opening off master bedroom), and front facing living room are featured. Double garage is attached.

RIVIERA

(3-A, B, & C) Model 3-C shown, has living room facing to the front of house, detached garage, 2 baths (so handy for the early morning rush to school and work), and entry hall with convenient coat closet. Note redwood siding and detail treatment at entry and windows.
